About Me

A motivated undergraduate specializing in **Full-Stack and Backend Development**, with hands-on experience across React, Spring Boot, NestJS, and cloud-integrated platforms. Passionate about building scalable web applications and REST APIs, with a strong foundation in databases and system design. Proven ability to lead and collaborate through active roles in university clubs, hackathons, and community service. Committed to continuous learning and delivering practical, real-world software solutions.

Technical Expertise

- **Programming Languages:** C, C++, Java, JavaScript/TypeScript, SQL, PHP
- **Databases:** MySQL, MongoDB, PostgreSQL, Firebase, MS SQL
- **Frameworks & Libraries:** React, Spring Boot, NestJS, Next.js, Tailwind CSS
- **Tools & Platforms:** Git, GitHub, Docker, Postman
- **General Skills:** Teamwork, Leadership, Adaptability, Communication, Coordination, Problem Solving

Education

University of Moratuwa <i>BSc (Hons) in Information Technology</i> ◦ CGPA: 3.58/4.00	<i>2024 - Present</i>
Poramadulla Central College <i>G.C.E. Advanced Level - Physical Science Stream</i> ◦ Z-Score: 1.6076	<i>2019 - 2022</i>

Work Experience

Banking Trainee Intern <i>People's Bank - Rikillagaskada, Sri Lanka</i> ◦ Assisted with day-to-day banking operations and customer service activities, supporting administrative and operational tasks with accuracy and professionalism in a customer-facing environment.	<i>2023</i>
--	-------------

Projects

Serve Sync <i>Java Spring Boot React MySQL - 2025 - 2026</i> ◦ Developed a full-stack restaurant management system as part of a collaborative university project. ◦ Implemented JWT-based authentication, role-based access control (RBAC), branch management, system configuration, and audit logging. ◦ Developed REST APIs and integrated the Spring Boot backend with a React frontend.	Source Code Live Demo
Cinescope <i>React Firebase Firestore Cloudflare - 2026 (Ongoing)</i> ◦ Built a responsive, full-stack movie discovery application with React, focusing on a smooth and interactive user experience. ◦ Implemented secure user authentication and a real-time database using Firebase and Firestore to manage user profiles and saved data. ◦ Optimized application performance and securely managed third-party API requests by integrating Cloudflare.	Source Code Live Demo
Pulse Dock <i>NestJS Next.js PostgreSQL Docker - 2026 (Ongoing)</i> ◦ Developing a self-hosted uptime monitoring platform for websites. ◦ Implementing monitoring for service availability, response times, and historical uptime data. ◦ Designing automated monitoring and alerting capabilities with containerized deployment using Docker.	Source Code
AgroSense AI <i>Spring Boot Java MySQL JWT Cloudinary OpenWeatherMap API - 2026</i> ◦ Developed a full-stack agricultural decision-support platform for Sri Lankan farmers. ◦ Built a weather-based crop risk engine providing real-time risk scores, alerts, and actionable recommendations. ◦ Developed REST APIs for market prices, crop guides, fertilizer recommendations, and weather alerts using Spring Boot and React.	Source Code Live Demo

Bottle Filling & Capping System

ESP32 | Motors | IR & Ultrasonic Sensors | Flow Sensor | Solenoid Valve - 2024 - 2025

- o Developed an automated bottle filling and capping system as a hardware automation project.
- o Programmed an **ESP32**-based control system to coordinate sensors, motors, and actuators throughout the production process.
- o Integrated IR, ultrasonic, and flow sensors with motors, a solenoid valve, and motor drivers for automated bottle detection, filling, positioning, and capping.

Courses and Certifications

- o **Network Technician Career Path** - Cisco Networking Academy, covering fundamental networking concepts, network infrastructure, and troubleshooting.
- o **Introduction to Agent Skills** - Anthropic, introducing the concepts and development of skills for AI agents.
- o **Getting Started with Docker** - Simplilearn, covering containerization fundamentals, Docker images, containers, and basic deployment workflows.
- o **Web Development** - SoloLearn, covering fundamental web development concepts and technologies.

Awards and Honours

- o **Spirit of Service Award** - Premio Formalita '25, Rotaract Club of the University of Moratuwa.
- o **Active Membership Award** - Premio Formalita '25, Rotaract Club of the University of Moratuwa.
- o **Finalists - CodeRally 7.0**, 2026 - National-level 24-hour hackathon organized by the IEEE Computer Society Student Branch Chapter of IIT.
- o **Semi-Finalists - CodeSplash**, 2026 - Island-wide inter-university hackathon organized by the Computer Science Students' Association (CSSA) of the University of Kelaniya.
- o **Semi-Finalists - Devthon 3.0**, 2026 - National-level web development competition organized by the Leo Club of the University of Moratuwa.
- o **Semi-Finalists - Codemania**, 2026 - Island-wide inter-university datathon organized by the IEEE Computer Society Student Branch Chapter of SLTC.
- o **Top 30 - GenZipher 1.0**, 2026 - CTF & Development Hackathon organized by the University of Colombo School of Computing (UCSC).

Leadership & Volunteering

- o **Co-Director**, International Service Avenue, Rotaract Club of University of Moratuwa - 2025 - 2026
Led initiatives connecting the club with global communities and humanitarian causes.
- o **Co-Chairperson**, SLRMUN 25, Rotaract Club of University of Moratuwa - 2025
Co-led a Model United Nations conference, overseeing logistics and delegate engagement.
- o **Co-Chairperson**, UN Days 24, Rotaract Club of University of Moratuwa - 2024
Co-organized events promoting awareness of the UN Sustainable Development Goals.
- o **Social Media (LinkedIn) Administrator** - Profiling & Corporate Affairs Pillar, Sasnaka Sansada Foundation - 2025 - Present
Managed LinkedIn content and organizational communications to strengthen the foundation's professional presence.
- o **Project Coordinator & Mathematics Teacher** - Sasnaka Sansada Foundation - 2023 - Present
Coordinated educational initiatives and conducted mathematics sessions for Grade 10 and 11 students to support their academic development and examination preparation.
- o **Design Committee Member** - FINNC 25, IEEE IES Student Branch Chapter, University of Moratuwa - 2025
Contributed to the design and visual content of FINNC 25 promotional and event materials.
- o **Call Centre & Data Entry Volunteer** - Disaster Management Centre Sri Lanka - 2025
Supported Cyclone Ditwah relief by handling emergency calls from survivors in need of food and immediate assistance, and entering call-based data into a digital database to help coordinate the response.
- o **Senior Prefect** - Poramadulla Central College - 2019 - 2021
Supported school administration and student activities while helping maintain discipline and coordinate fellow students.
